

Registered Professional Nurse

Schenectady County Public Health Services has a temporary position available for a **Registered Professional Nurse** to join our COVID-19 Response Team. This opportunity includes working with our team of public health professionals in community-based services. This RN will conduct virus testing (swabbing), and COVID-19 vaccination at various sites in Schenectady. Services also include individualized disease education and support for clients served. Bilingual/multilingual ability is a plus.

MINIMUM QUALIFICATIONS:

- Graduation from a school of nursing approved by the New York State Education Department
- License and current registration to practice as a Registered Professional Nurse in New York State
- Possession of a valid New York State driver's license

APPLICATION: Send completed Civil Service application or resume to hannah.busman@schenectadycounty.com
